FACES IN THE NEWS

8 Thursday September 17th 2009

■ ABOVE: Talented teen Katharine Ross is getting ready to see the outfits she created dazzle at London Fashion Week. The City and Islington College pupil will represent her borough in the final of 2009 FAD Junior Awards at Vauxhall Fashion Scout on Tuesday. Katharine said: "Doing this has definitely helped me. What FAD gives you can't be learnt at college – the knowledge of the industry and the skills. I've learnt so much, and it's been such fun."
